IMPORTANT NOTE

Although great care has been taken to included all the minimum requirements of South African Civil Aviation Authority, this estimate can change due to the following, but not limited to:

1. SACAA Regulatory changes
2. Student not yet competent at minimum flight hours. Additional training hours will be required at students cost
3. Student failing exams. Rewriting exams will be additional cost for student
4. Fuel and other operational costs fluctuations can cause Luv2Fly to amend this estimate.
